

and are vital to our success. Staying ahead of the continually evolving collateral management challenge and adding experienced staff with deep industry expertise is key to our company's ability to provide valued software and service to the financial industry. We are proud that we have achieved market leadership and we intend to work hard to retain our position," added Wisbey.

About Lombard Risk

Lombard Risk is one of the world's recognized leading providers of collateral management and regulatory compliance solutions to financial organizations and large corporations around the world. Our award-winning global solutions enable the financial industry to improve the management of counterparty risk, collateral risk, trading risk, liquidity management, financial crime detection, and global regulatory compliance reporting.

Founded in 1989, and headquartered in London, Lombard Risk has worldwide offices in New York, Shanghai, Hong Kong, Singapore and Johannesburg. Our clients include numerous banking businesses including over 20 of the world's top 50 financial institutions, nearly half of the 340+ banks operating in the UK, as well as several industry leading investment firms, asset managers, hedge funds, fund administrators, and large corporations worldwide.
