

# A Long History Of Success

As A Trusted Global Provider

## Company History

The mission at Lombard Risk has always been to provide specialised software solutions and domain expertise to improve the management of risk and regulatory compliance. Our partnership approach with our customers and partners has enabled Lombard Risk to achieve a customer retention rate that is one of the highest in the industry.

### 1989 – Lombard Risk Founded & Established Operations

- ❖ Completed 1<sup>st</sup> Oberon<sup>®</sup> Installation, a global trading and valuation solution.
- ❖ From the outset Lombard Risk had a global vision and established international offices in New York and Hong Kong.
- ❖ Received Queens Award for export achievement.

### Mid to Late 1990's – Achieved Early Success As A Private Company

- ❖ Branched into information management with an investment in a company called IDOX.
- ❖ Invested in Valuspread, a credit price verification solution.
- ❖ Received 2<sup>nd</sup> Queens Award for export achievement.
- ❖ Listed on the Independent 100, a list of Britain's fastest-growing companies.

### Early to Mid 2000 – Invested In Product Expansion & Achieved Successful IPO

- ❖ Developed Colline<sup>®</sup> collateral management and delivered Firmament<sup>®</sup>, a trade valuation solution.
- ❖ Successfully floated IDOX and refined focus on risk management solutions.
- ❖ Lombard Risk became a publicly listed company.

### 2005 & Beyond – New Products and Global Expansion Fuels Growth

- ❖ Recognised convergence of risk and compliance as the two 'must have' solutions.
- ❖ Sold Valuspread to Fitch Ratings and Independent Valuation service to NYSE Euronext.
- ❖ Completed strategic acquisition of STB Systems Limited to enter regulatory compliance market.
- ❖ Acquired a regional office in Singapore.
- ❖ Company exclusively focused on 'mission critical' areas of regulatory compliance and collateralised trading.

### Today – A Recognised Global Leader With Innovative Software Solutions

- ❖ Lombard Risk introduces new market-leading global liquidity information and scenario analysis solution.
- ❖ Lombard Risk is firmly established as the #1 provider of regulatory compliance solutions to banks in the UK and Asia.
- ❖ Ranked by TowerGroup in 2008 as the 2 largest specialty provider of global collateral management solutions.
- ❖ For the 3 time, Lombard Risk earned a place on Risk Magazines coveted Top 5 List in 2008.
- ❖ Twice recognised as a Top Vendor of AML solutions by IBS Publishing in 2007 and 2008.
- ❖ Lombard Risk moves up from 56 to 37 on Chartis Research RiskTech Top 100 List.
